

Trinity Lutheran Preschool

Drops of Ink

May 2021

Note from the Director

I can't believe it is already the last month of school. I don't know about you but this year sure has flown by for me. We have definitely enjoyed spending the school year with your children. Seeing the excitement on their faces as they learn and play makes our job very rewarding! Hopefully, we will get to see many of you return to our school for next year. We still have openings in some of our classes. If you haven't registered yet, feel free to stop by my office and get it done. If you have already registered, pass the word along to a friend about preschool. We'd love to have them join us!

Parents, I truly want to thank you for supporting our Preschool this year. It was a year of uncertainty for all of us. Without your support, it would have been a tremendous struggle. THANK YOU!! You were part of creating a safe and happy environment for the children!

We hope that you enjoy your summer with good times and safety!

Love,

Ms. Brenda

P.S. The new school year will start on Aug. 16, 2021. Look for a letter to come from Trinity Lutheran Preschool towards the end of July with start up paperwork. This paperwork will need to be filled out and brought with you on the day your teacher visit is scheduled. Your child's teacher will call you and set up the time for this visit the week of Aug. 9. If you have any questions, please call. I will be here all summer with our TLC Summer Camp program for K-5th grade children.
